# STAGE PLACEMENT

# MONITORS

Primarily we will be using 3 monitors namely Monitor1,2 and 3 as shows in the stage placement diagram. Monitor 4 and 5 are optional in case the stage area is large.

Monitor1 would be the Vocalist's monitor, monitor2 is the guitarist's monitor and Monitor3 is the drummer's monitor. Monitor 4 and 5 is used would be placed as shown in the stage placement.

The monitor mix we would like is as follows;

Monitor1-Vocals (High), Drone (Medium), Guitars (Medium), Rest of the band (Low).

Monitor2-Guitars (High), Drums (Medium), Rest of the band (Low).

Monitor3-Drums (High), Rest of the band (Medium).

Monitor4-Hawaiian Slide (High), Rest of the band (Medium).

Monitor5-Bass (High), Rest of the band (Medium).
